*27 Copperleaf Way  
Castle Hill*

Exhale, and absorb the stunning ambience of this full brick Classical-style residence.

Sandstone, wrought-iron and elegant gardens greet as you enter this grand, European-inspired home.

It combines flowing interiors, lush tropical gardens and a relaxed resort quality to provide a leafy entertainers' haven in a premier address.

- Occupying 2134sqm with expansive outdoor entertaining areas
- A vast selection of formal/casual living and dining spaces
- Bespoke kitchen boasts lime washed American oak, South American granite & Miele appliances

- Gazebo; Mediterranean fountain; bushland views
- European-inspired architecture, with sandstone and wrought-iron
- Cabana style garden room with wet bar, open fire, wine cellar

Alternatively, feast with a view from the spacious balcony, overlooking the sparkling pool and meandering sandstone garden paths. For a little extra shade, simply hit the remote on the pergola louvers. The wrought-iron railings and Italian ceramic tiles, extending from the kitchen and tranquil family area through the French doors, add that extra touch of class.
